CHANGE IN ENTITY STATUS PURSUANT TO 37 C.F.R. §1.28(ff)

Applicant, pursuant to Rules of Practice 1.28 ff., requests the status of this application be changed from a small entity to a large entity. The small entity status was established in good faith and the fees as a small entity for filing were paid in good faith. It was later discovered that such status as a small entity was established in error. In compliance with the requirements to correct, the Applicant herewith submits the deficiency payment in the amount of \$385.00.

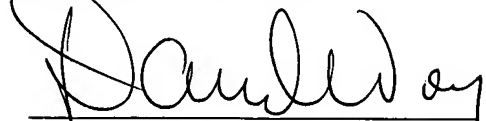

The itemization of the total deficiency payment is as follows:

- a. The basic filing fee for an application including one independent and nine dependent claim, \$770.00, for a non-small entity;
- b. The small entity fee actually paid on or about December 30, 2003, \$385.00 (plus \$40.00 for an assignment recordation fee);
- c. The deficiency owed of \$385.00 (\$770.00 - \$385.00). The total deficiency payment owed is \$385.00.

The deficiency payment relates solely to the above-identified application as required by Trademark Rules of Practice 1.28(c)(1).

The deficiency owed resulting from the previous erroneous payment of small entity fees in the amount of \$385.00 is herewith submitted. Correction is respectfully requested.

Respectfully submitted,
